MEMORANDUM FOR: Deputy Director for Administration

FROM:

Director of Communications

SUBJECT: Weekly Report

4. Former KGB active-measures officer, Stanislav Levchenko, was featured as a guest speaker at an OC Managers Staff Meeting on 14 July. Mr. Levchenko's lecture focused on the human element of Soviet espionage, emphasizing that the US communications system remains a high target for Soviet penetration.

7. OC recruiters reported that the local press showed up requesting an interview in Great Falls, Montana during a recent recruitment session. After being politely refused, the reporter returned to his office and proceeded to write a very negative article about the Agency and the hotel where the conference was being conducted. Reporters also showed up at the Minot, North Dakota presentation without specific incident.

9. OC has established an approved unclassified communications link from a personal computer to the National Bureau of Standards Electronic Bulletin Board System. This system has a security forum that will be valuable in coordinating specific user problems and solutions. It will also contribute to the exchange of information essential to strengthening the security protection of communications data and computer systems.
